ATCO Presenting Sponsor of the Leaders of Tomorrow Awards

As companies with long histories in the Province of Alberta – in Grande Prairie in particular – ATCO Electric and ATCO Gas understand the value of volunteerism and its positive impacts on our quality of life in Alberta.

ATCO is donating over \$29,000 to Alberta charities on behalf of its employees who volunteer in their communities. Through the Volunteer Recognition Fund, employees who volunteered 50 hours or more in 2009 were eligible to apply for a \$150 donation to the registered charity of their choice. Nearly 200 ATCO Gas and ATCO Electric employees participated in the program in 2009.

ATCO Electric and ATCO Gas wish to acknowledge the work of those who give their time and effort to communities in the South Peace area.

Leaders of Tomorrow Awards

The Leaders of Tomorrow Awards program recognizes students who have made outstanding contributions to their communities through volunteerism. By recognizing these exceptional volunteers, the leaders of Tomorrow Awards will inspire other students to give of themselves to benefit the region.

Individuals, community groups, educational institutions and voluntary organizations are invited to nominate young people who deserve recognition for their devotion to helping others. Each FCSS region will recognize youth in both age categories to receive awards. Awards will be presented at the Annual Volunteer Appreciation Luncheon on:

**Wednesday, April 21, 2010,
11:30 am, at the Grande Prairie Inn.**

Each award recipient will receive a Leaders of Tomorrow Awards trophy, cash award of \$100 and a \$100 donation to the charity of his or her choice.

Criteria for Nominations

The Leaders of Tomorrow Awards Nominee must:

- Exhibit dedication and excellence in any field of volunteer work including school, community, athletics or fine arts; and
- Inspire the spirit of volunteerism in others.

Student volunteer involvement at any level is eligible. The nominee's activities may have taken place at any time resulting in a positive and, preferably, lasting impact.

During the year, award recipients may be invited to make themselves and their image (photograph) available for promotions through the media and other publicity activities. This may include participation in mutually agreed upon activities. All entries become the property of the Grande Prairie Volunteer Services Bureau Association and may be used in future publications.
